24-25 CCR Grant Rep & PD Regions

Grant Reps will serve as your go-to contact. They proactively engage with Providers in their regions and watch for good news, successes, PD needs, and opportunities. Providers are invited to reach out to **any** NCCCS CCR Staff member should the need arise, but to help us maintain efficient and consistent communication, please copy your Grant Rep on email communication to other System Office staff. **We want you to have all the support you need as you work to serve students under the Adult Education and Family Literacy Act!**
