COABE MEMBERSHIP THROUGH THE NCCCS

Many of our providers have asked how to use the COABE collective membership for NC Community Colleges for individual membership. The most effective way to become an individual member through this collective membership is to email the COABE representative for community colleges (information listed below).

Heather Collins, MPA
Johnston Community College
hdcollins@johnstoncc.edu

Include in your email:

Your name, your community college name and address, your community college telephone number and your email address.

You should receive your membership number within 24-48 hours.
